WHERE TO DEVELOP PHOTOS

到哪里冲晒菲林?

酒店附近有多间菲林冲晒店, 以下是我们建议的店铺:
You can find the nearest film developing store to develop and print your photos. Here are some of our recommendations:

DOT-WELL Photo Workshop

尖沙咀加拿芬道44号地下
44 Carnarvon Road, Tsim Sha Tsui

HKCamera

尖沙咀加连威老道59B地下
G/F 59B Granville Road, Tsim Sha Tsui

SHOWA Film & Camera

旺角西洋菜南街66号3/F
3/F 66 Sai Yeung Choi Street South, Mong Kok

You can either request for the store to develop, scan and send the photos back to you via WhatsApp/email, or develop and print out hard copies of the photos.
(Pro tip: hard copies have to be picked up in person, but they'll be more memorable!)

你可以要求商店冲洗底片后, 把照片直接扫描并通过WhatsApp或电邮传送给你。
冲洗后当然也可以冲印出来留念。
